WATER TREATMENT, FILTRATION AND SOFTENING APPLICATION FORM

INSTRUCTIONS:

Please complete the application in its entirety.

Those questions which you deem are not applicable to your company, please insert the initials "N/A", do not leave blank. If the question is such that a precise answer is either difficult or impossible, then provide a best estimate answer. Should an answer to any of the questions require more space than provided, please provide your answer on a separate sheet of paper, properly identifying the question you are answering. Any other supporting documentation that a question may call for, or you may wish to add, please properly identify the question the documentation is in reference to. The information and representation provided in this application shall form the initial basis upon which an insurance binder may be issued. Accordingly, this application and the material contained therein shall become an integral part of the insurance contract. Material misrepresentations on the application will cause the insurance contract to be void.
